*Bidders are encouraged to read this RFP and all attachments in its entirety paying specific attention to the instructions and requirements. Issuance of this RFP does not in any way obligate Helen Keller International to award a contract, nor does it commit Helen Keller International to pay for costs incurred in the preparation and submission of a proposal. All recipients of this RFP shall treat all information and details included herein as private and confidential.*

**SECTION 1: Introduction, Eligibility of Bidders, and Definitions**

**Introduction**

Helen Keller International (Helen Keller Intl) is a nonprofit organization dedicated to saving and improving the sight and lives of the world's vulnerable by combatting the causes and consequences of blindness, poor health and malnutrition. Helen Keller Intl invites all eligible Bidders to submit proposals for consultant for system development, and application deployment processes for our project management system. The consultant will possess a blend of both software development and project management skills, enabling them to customize the application to meet our needs and drive forward.

The purpose of this Request for Proposals (RFP) is to select a individual consultants/firms that will provide best value to Helen Keller Intl, when both technical and cost factors are combined.

**Eligibility of Bidders**

This RFP is open to non-governmental entities or individual consultants that are deemed capable of implementing the scope of work, with a solid record of integrity and business ethics, and that meet the eligibility requirements stated in this Section.

Bidders that submit proposals in response to this RFP must meet the following requirements:

- 1) Be a non-government entities (for-profit and non-profit companies, non-governmental organizations (NGOs), etc.) or individual consultants that are legally registered under the laws of the country where it is operating
- 2) Have demonstrated capacity and expertise to successfully implement the Scope of Work
- 3) Have completed the required representations and certifications incorporated in this RFP

- 4) Be willing to comply with relevant donor rules and regulations and Helen Keller Intl requirements.
- 5) Bidders and proposed products must be of Source and Nationality designated in the authorized Geographic Code, as described in Section 5 "Source of Funding and Authorized Geographic Code."
  - a. Nationality refers to the place of legal organization, ownership, citizenship, or lawful permanent residence (or equivalent immigration status to live and work on a continuing basis) of suppliers of commodities and services.
  - b. Source means the country from which a commodity is shipped to the cooperating/recipient country or the cooperating/recipient country itself if the commodity is located therein at the time of the purchase, irrespective of the place of manufacture or production, unless it is a prohibited source country. Where, however, a commodity is shipped from a free port or bonded warehouse in the form in which received therein, "source" means the country from which the commodity was shipped to the free port or bonded warehouse.

Note: Helen Keller Intl will not award a contract to any firm that is debarred, suspended, or proposed for debarment by the U.S. Government, or who proposes to do business with firms or firms' principals who are debarred, suspended, or proposed for debarment, in the performance of the requirement of this activity.

### **SECTION 2: Scope of Work**

Helen Keller Intl will evaluate all proposals received in response to this RFP in accordance with the evaluation criteria described in this document.

This RFP contains the following Annexes:

- Annex A: Conflict of Interest Disclosure
- Annex B: USAID Contract Provisions

### **Program Background**

USAID Integrated Nutrition's primary goal is to improve the nutrition status of women, adolescents, and children in Nepal's underserved and marginalized communities. The activity will tackle direct and underlying determinants of malnutrition in Nepal while strengthening the national and local enabling environment to implement multisectoral nutrition programs through four synergistic intermediate results. Achievement of the purpose will be measured by improvements in indicators of nutrition status among women of reproductive age, adolescents, and children. Helen Keller Intl implements USAID Integrated Nutrition in partnership with FHI 360, Center for Environmental and Agricultural Policy Research, Extension and Development (CEAPRED), Environment and Public Health Organization (ENPHO), Nepali Technical Assistance Group (NTAG) and Kaboom Social Impact Pvt. Ltd. and through local partners in over 400 municipalities, across seven provinces, where the burden and prevalence of malnutrition is high.

### **Scope of Work, Key Objectives and Activities**

The scope of work involves designing, developing, and integrating a robust Project Management System (PMS) tailored to the needs of Helen Keller Intl ensuring seamless compatibility with DHIS2, SharePoint, Teams, and NetSuite. The consultant will define technical and functional requirements, develop a customized system aligned with organizational workflows, and establish real-time data integration for efficient project tracking and decision-making. Key objectives include system testing to validate accuracy, functionality, and security, as well as delivering comprehensive training and user manuals to ensure staff and partner readiness. The consultant will also provide detailed documentation, including system specifications, testing outcomes, and a final project report with recommendations for long-term sustainability and scalability.

The Consultant role requires a full-time commitment of 90 days period, from January 2025 through August 2025. Project progress will be assessed through biweekly milestone reviews to ensure alignment with timelines and deliverables.

The PMS Consultant will report directly to the Senior Manager of MIS and collaborate closely with the M&E and IT teams, providing weekly progress reports and communicating any critical updates as needed.

**Deliverable and Illustrative Timeline**

<b>Deliverables</b>	<b>Anticipated Timeline</b>
Inception Report: A comprehensive report outlining system requirements, technical specifications, and a strategic action plan for integrating the project management system (PMS) with DHIS2 and other applications.	January 2025
System Architecture Design Document: A detailed design document specifying the architecture and technical structure of the PMS, ensuring compatibility with DHIS2, SharePoint, Teams, and NetSuite, and meeting all functional and security requirements.	February 2025
Functional PMS Setup: A fully customized project management system with interactive, role-based dashboards that display real-time data from DHIS2 and other integrated sources, tailored to support decision-making across user roles.	February 2025
Data Integration and Testing Report: A report summarizing the successful integration and testing of data flows between DHIS2 and the PMS, ensuring accurate and timely data transfer for project tracking and reporting.	March-April 2025
Training Materials and User Manuals: Complete training modules, user guides, and instructional materials for staff and partners to navigate, utilize, and troubleshoot the PMS effectively, including live training sessions if necessary.	April-July 2025
Final Project Report: A conclusive report documenting the project lifecycle, system deployment, challenges encountered, resolutions implemented, and recommended practices for system sustainability and scalability.	August 2025

**Anticipated Contracting Period and Award Mechanism**

The anticipated period of the resulting award is expected to be January beginning on or about January 2025. Bidders must clearly identify “start-up” support costs, if any, required to commence services.

Helen Keller Intl intends to award an all-inclusive fixed price Consulting Agreement to the winning offer. No profit, fees, taxes, or additional costs can be added after award. This RFP is subject to all the terms and conditions of the resulting contract. Any resultant award will be governed by these terms and conditions.

**SECTION 3: Proposal Instructions**

The Bidder’s proposal will consist of two separate documents:

- Part 1 - Technical Offer**
- Part 2 – Financial Offer**

The Technical Offer and the Financial Offer (altogether “proposal”) must be submitted separately. The Bidder should **not** include any cost data in the Technical Offer.

The proposal should be concisely presented and structured, and should explain in detail the Bidder’s availability, experience and resources to provide the requested services.

Proposals that are incomplete or do not address these criteria may not be considered in the review process. All proposals **must be submitted in English**.

Both the Technical Offer and Financial Offer must be submitted with a **Cover Letter** which must include the following information and must be signed and stamped by an authorized representative of the Bidder organization:

- i. Date of Submission of the Proposal
- ii. Term of proposal validity (minimum {90} days)
- iii. Name of the company/organization or individual consultant
- iv. Address
- v. Mobile/Telephone
- vi. E-mail
- vii. Copy of Company Registration, VAT Certificate and Latest Tax Clearance Certificate
- viii. Copy of VAT/PAN registration (for individual consultant)

Bidders must also submit a signed Conflict of Interest Declaration Form. This form will be assessed to establish whether the Bidder has any present or potential future conflict of interest according to the definition in Annex A. If the conclusion is reached that any conflict of interest declared by the Bidder could have a negative impact on the Bidder's ability to perform the Service, Helen Keller Intl may decide to reject the submitted proposal. Failure to accurately complete the Conflict of Interest Declaration Form may also lead to the rejection of the submitted proposal.

### **Part 1: TECHNICAL OFFER**

The Technical Offer should be in the English language, typed in Microsoft Word, single-spaced, with each page numbered consecutively. A maximum number of pages for each component of the Technical Offer is given below.

The Technical Offer should include the following:

#### **1) Bidder past performance record/relevant experience– 10 pages maximum**

Information related to Bidder's past performance/prior experience in conducting work in the country/region similar in nature and volume to the services requested (brief description, deliverables, date, client etc.). Include examples of previous PMS or DHIS2 integrations, especially those involving data extraction and dashboard customization

Bidders must also provide contacts for at least three (3) professional references for previous work and/or experience under similar SOWs. Contact information should include, at a minimum: name of individual, brief information on relationship to Bidder, address, email, and phone number. Helen Keller Intl reserves the right to contact any and all references provided. Contact information for references is not subject to the page limitation for this section.

#### **2) Technical approach – 5 pages maximum**

The technical approach must describe the proposed approach to achieving the program objectives and must address the following:

- a) Information as to whether the Bidder currently has a presence in the country/region, and the nature of this presence.
- b) A brief description of the Bidder's understanding of the objectives and scope of work for the consultancy.
- c) An overview as to how the Bidder would propose to complete the requested services indicated in this RFP.

#### **3) Qualification requirements – {3} pages maximum, excluding CVs**

- a) The minimum requirements and qualifications for the consultant are the following:
  - o Bachelor's degree in computer science, Information Technology, Project Management, or a related field
  - o Minimum of 5 years of experience in project management and software development
  - o Proven experience of managing large-scale projects, preferably in an international development context
  - o Certifications in project management (PMP, PRINCE2 or similar) and PM tools or relevant software development credentials
  - o Proficiency in software development and customization
  - o Experience with role-based access controls and hierarchical activity management

- Familiarity with using AI tools, integrating AI into systems and making use of API and other programming tools
- Familiarity with integrating applications such as SharePoint, Teams, Office 365, DHIS2, and NetSuite
- Understanding of industry-standard data security and backup practices

At a minimum, the Bidder should provide the following information:

- A current CV. The CV must not exceed three pages in length and shall be in chronological order starting with the most recent experience and summarizing relevant experience and qualifications.
- a sample of their best work indicating their interest in consultancy, examples of previous PMS or DHIS2 integrations, especially those involving data extraction and dashboard customization, relevant experience for this consultancy and a sample of their best work indicating their interest in consultancy.
- The country of residence for all persons proposed for the provision of this Service (meaning the country in which the person or persons resides and from which they would be flying from in order to reach the Place of Performance to undertake this consulting work).
- If any of the Bidder’s personnel do not reside in the country in which they are assigned to perform the required Services, the Bidder must state how these personnel would travel to perform such Services, and the estimated travel time. The Bidder should specify how many trips might be required, and which team members would join these trips.

Helen Keller Intl may choose to contact the Bidder prior to making a final decision. Please confirm whether this would be possible, ensuring that full contact details are also included in the resume (email, telephone number).

**Part 2: FINANCIAL OFFER**

This contract will be issued as a firm fixed price contract with payment made against deliverables against services/products. Helen Keller Intl will only issue payment via electronic payment methods and all bank accounts must be in the name of the company/organization only.

As part of the Financial Offer, Bidders must include a daily rate and any other costs potentially related to the completion of the scope of work.

The Consultants must include VAT/PAN registration and a sample of their best work indicating their interest in consultancy.

**SECTION 4: Evaluation Criteria and Basis for Award**

Helen Keller Intl will follow a Best Value Trade-Off selection methodology. Helen Keller Intl may award to an eligible, responsible firm whose proposal is most advantageous to the program, with price and other factors considered proposal, including but not limited to compliance with the requirements of the RFP without material deviation. Bidders may not modify non-responsive offers after the proposal deadline in order to make them responsive. However, Helen Keller Intl may request a Bidder to clarify its offer as long as no material deviation exists.

The criteria below will serve as the basis upon which proposals will be evaluated. Selection will be based principally on the technical merits of the proposals, but price and other factors will be considered, and award will be made only if the proposal is determined to be technically acceptable and cost reasonable.

Evaluation Criteria per Solicitation	Total Max Points
<b>Past Performance/ Prior relevant experience</b>	<b>20</b>
Demonstrated Experience- Proven track record of successful delivery of similar projects, including integration with systems like DHIS2, SharePoint, Teams, or NetSuite	
Client References - Positive feedback from previous clients, including reliability, quality of work, and adherence to deadlines.	
Portfolio Quality - Quality and relevance of past projects submitted in the proposal.	
<b>Personnel Qualifications</b>	<b>20</b>

Educational Background - Relevant academic qualifications in information systems, project management, or related fields.	
Professional Certifications - Possession of certifications such as PMP, PRINCE2, or certifications in DHIS2 or system integration tools.	
Soft Skills - Strong communication, problem-solving, and collaboration skills, demonstrated through proposal clarity and references.	
<b>Technical Merit</b>	<b>40</b>
Understanding of Requirements - Depth of understanding demonstrated in addressing the scope of work and objectives in the proposal.	
Proposed Approach and Methodology - Clarity, feasibility, and innovation of the approach to deliver the required outputs.	
Compliance with Standards - Adherence to technical and security standards relevant to system integration and data management.	
<b>Operational Capability</b>	<b>20</b>
<i>Capacity to allocate the necessary resources to meet project deadlines and deliverables.</i>	
<i>Effectiveness of the proposed plan for managing tasks, timelines, and risks.</i>	
<b>Total Points</b>	<b>100</b>

Upon completion of the evaluation of Technical Offers, Helen Keller Intl will evaluate Financial Offers for budget presentation, details of the budget narrative, and cost effectiveness (reasonable, realistic, match the Technical Offer and meet requirements of RFP). No points are assigned to Financial Offers, but these criteria will be considered, in conjunction with the total score of the Technical Offer. This RFP utilizes the tradeoff process and Helen Keller Intl may award a contract to the offeror whose proposal represents the best value to Helen Keller Intl and the program. Helen Keller Intl may award a higher priced offeror if a determination is made that the higher technical evaluation of that offeror merits the additional cost/price.

**SECTION 5: Source of Funding and Authorized Geographic Code**

Any award resulting from this RFP will be financed by USAID funding and will be subject to U.S. Government and USAID regulations. The authorized USAID geographic code for this RFP and any resulting contract is Code 937. A description of this code is available in USAID’s Automated Directives System, ADS 310 (<http://www.usaid.gov/policy/ads/300/310.pdf>). All commodities and services supplied under any award resulting from this RFP must meet this geographic code in accordance with the US Code of Federal Regulations (CFR), 22 CFR 228.

**SECTION 6: Proposal Validity, Submission Deadline and Instructions**

Proposals should have a 90 days validity period from the proposal submission date, as provided in the Cover Letter.

Proposals must be submitted electronically by the deadline listed on the cover page of this RFP by E-mail to [lpts.np@hki.org](mailto:lpts.np@hki.org) indicating in the subject line of the e-mail the RFP number.

A full proposal submission will include the following documents, all of which must reference the RFP number as stated on the cover page of this document:

- Cover Letter
- Technical Offer
- Financial Offer
- Conflict of Interest Disclosure Form
- USAID Contract Provisions
- resume, examples of previous PMS or DHIS2 integrations, especially those involving data extraction and dashboard customization, relevant experience for this consultancy and a sample of their best work indicating their interest in consultancy.
- Other pertinent information relevant to the proposal submission

QUESTIONS: No verbal questions will be entertained, either in person or via telephone. However, Helen Keller Intl will take written questions about this RFP until the date specified on the cover page of this document. Any questions related to this RFP should be addressed to [lpts.np@hki.org](mailto:lpts.np@hki.org) In order to ensure fairness, Helen Keller Intl’s response to all questions deemed relevant will be posted at the link <https://helenkellerintl.org.np/consultants> ensuring the original requestor’s anonymity.

**SECTION 7: Negotiations**

Best offer proposals are requested. It is anticipated that an award will be made solely on the basis of the original offers received. However, Helen Keller Intl reserves the right to conduct discussions, negotiations and/or request clarifications prior to awarding a contract. Furthermore, Helen Keller Intl reserves the right to conduct a competitive range and to limit the number of bidders in the competitive range to permit an efficient evaluation environment among the most highly-rated proposals. Highest-rated bidders, as determined by the technical evaluation committee, may be asked to submit their best prices or technical responses during a competitive range. At the sole discretion of Helen Keller Intl, bidders may be requested to conduct oral presentations. If deemed an opportunity, Helen Keller Intl reserves the right to make separate awards per component or to make no award at all.

**SECTION 8: Terms of the Solicitation**

1. Issuance of this RFP does not constitute an award commitment on the part of Helen Keller Intl, nor does it commit Helen Keller Intl to pay for costs incurred in the preparation and submission of a bid.
2. Attached files are integral part of this RFP.
3. Helen Keller Intl may contact Bidders to confirm contact person, address, bid amount and to confirm that the proposal was submitted for this solicitation.
4. False Statements: Bidders must provide full, accurate and complete information as required by this solicitation and its attachments.
5. Conflict of Interest Disclosure: In Annex A Bidders must provide disclosure of any past, present or future relationships with any parties associated with the issuance, review or management of this solicitation and anticipated award. Failure to provide full and open disclosure may result in Helen Keller Intl having to re-evaluate selection of a potential Bidders.
6. Right to Select/Reject: Helen Keller Intl reserves the right to select and negotiate with those firms it determines, in its sole discretion, to be qualified for competitive proposals and to terminate negotiations without incurring any liability. Helen Keller Intl also reserves the right to reject any or all proposals received without explanation.
7. Reserved rights: All RFP responses become the property of Helen Keller Intl and Helen Keller Intl reserves the right in its sole discretion to:
  - a. To disqualify any offer based on Bidder's failure to follow solicitation instructions;
  - b. To waive any deviations by Bidders from the requirements of this solicitation that in Helen Keller Intl's opinion are considered not to be material defects requiring rejection or disqualification or where such a waiver will promote increased competition;
  - c. Extend the time for submission of all RFP responses after notification to all Bidders;
  - d. Terminate or modify the RFP process at any time and re-issue the RFP to whomever Helen Keller Intl deems appropriate;
  - e. Issue an award based on the initial evaluation of offers without discussion;
  - f. Award only part of the activities in the solicitation or issue multiple awards based on solicitation activities.
8. Bidders and its proposed personnel shall disclose any factors that could limit the organization's ability to independently perform the services such as relationship with counterpart employees, past employment, etc.

**ANNEX A: Conflict of Interest Disclosure**

**Helen Keller Intl Code of Conduct & Ethics Policy:** In accordance with the Helen Keller Intl Code of Conduct and Ethics Policy, Helen Keller Intl requires full and open disclosure when dealing with procurement. As such, Helen Keller Intl employees must avoid any conflict of interest or the appearance of a conflict of interest. Helen Keller Intl employees must at all times provide full disclosure of their actions or relationships with prospective vendors, contractors, or consultants. Helen Keller Intl employees shall not solicit, request, accept, or agree to accept any gift from a vendor or prospective vendor.

Helen Keller Intl reserves the right to reject any or all quotes when considered to be in the best interest of the organization and/or the people it serves. All parties submitting a proposal in response to this Request for Proposal are obligated to disclose the existence of any actual or possible conflict of interest relating to every country included within their proposal in the attached *Conflict of Interest Declaration Form*.

Failure to fully disclose such information could lead Helen Keller Intl to reject a proposal. If a party has no conflict to declare for any of the countries covered in their proposal, they may submit one form, listing all of the countries covered.

**“Conflict of Interest”** means a situation in which an Bidder, or an Affiliate (as defined below), or a sub-contractor (if any) of an Bidder, has interests (financial, organizational, personal, reputational or otherwise) that would or may appear to make it difficult for an Bidder to fulfill its obligations to Helen Keller Intl in its role as the vendor in an objective, independent and professional manner, or a situation in which it is reasonable to foresee that such an interest would arise. A Conflict of Interest may arise in the following circumstances, which are not exhaustive:

- i. a Bidder has been, or is involved in the design of a proposal or request for funding that has been, or will be submitted to Helen Keller Intl;
- ii. an Bidder has been, or is involved in the provision of advice to an entity that is a Principal Recipient or a Sub-recipient;
- iii. a Bidder has been, or is involved in, or has provided advice in relation to the procurement of goods and/or services by a Principal Recipient and/or a Sub-recipient;
- iv. a Bidder has been, or is involved in the provision of auditing services to a Principal Recipient and/or a Sub-recipient; or
- v. a Bidder has submitted an expression of interest, tender, bid or otherwise indicated interest in providing services of any nature to a Principal Recipient or a Sub-recipient that remains valid at the time of, and for the duration of the term of this Contract.

**“Affiliate”** means a business concern, individual or other entity that, directly or indirectly: (i) controls or can control an Bidder; (ii) is controlled by, or can foreseeably be controlled by, an Bidder; or (iii) along with an Bidder, is controlled by, or can foreseeably be controlled by, the same third party.

**Bidder Conflict of Interest Declaration Form**

Please check one box below, as appropriate:

<input type="checkbox"/>	The Bidder hereby declares that it has read and understood the Conflict of Interest rules set forth in the Request for Proposals (RFP) and warrants that no Conflict of Interest exists on the part of the Bidder or an Affiliate of the Bidder, with regard to the services to be performed under the RFP. The Bidder hereby agrees to comply with the Conflict of Interest rules set forth in the Request for Proposals (RFP).
<input type="checkbox"/>	The Bidder wishes to disclose a real or potential Conflict of Interest situation(s) and propose mitigating action(s). <i>Note:</i> if this box is checked, please describe in an attachment, <i>in detail</i> , the situation and present a proposed mitigation plan / arrangement for consideration by Helen Keller Intl.

**ANNEX B: USAID Contract Provisions****Contract Provisions for Non-Federal Entity Contracts Under Federal Awards**

By signing below, the Bidder agrees to comply with these requirements, as applicable, in the event an award is made by Helen Keller Intl.

In addition to other provisions required by the Federal agency or non-Federal entity, all contracts made by the non-Federal entity under the Federal award must contain provisions covering the following, as applicable.

- (A) Contracts for more than the simplified acquisition threshold currently set at \$150,000, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 U.S.C. 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate.
- (B) All contracts in excess of \$10,000 must address termination for cause and for convenience by the non-Federal entity including the manner by which it will be effected and the basis for settlement.
- (C) Equal Employment Opportunity. Except as otherwise provided under 41 CFR Part 60, all contracts that meet the definition of “federally assisted construction contract” in 41 CFR Part 60-1.3 must include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, “Equal Employment Opportunity” (30 FR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, “Amending Executive Order 11246 Relating to Equal Employment Opportunity,” and implementing regulations at 41 CFR part 60, “Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor.”
- (D) Davis-Bacon Act, as amended (40 U.S.C. 3141-3148). When required by Federal program legislation, all prime construction contracts in excess of \$2,000 awarded by non-Federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 CFR Part 5, “Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction”). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland “Anti-Kickback” Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, “Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States”). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency.
- (E) Contract Work Hours and Safety Standards Act (40 U.S.C. 3701-3708). Where applicable, all contracts awarded by the non-Federal entity in excess of \$100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are

unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

- (F) Rights to Inventions Made Under a Contract or Agreement. If the Federal award meets the definition of “funding agreement” under 37 CFR §401.2 (a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that “funding agreement,” the recipient or subrecipient must comply with the requirements of 37 CFR Part 401, “Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements,” and any implementing regulations issued by the awarding agency.
- (G) Clean Air Act (42 U.S.C. 7401-7671q.) and the Federal Water Pollution Control Act (33 U.S.C. 1251-1387), as amended—Contracts and subgrants of amounts in excess of \$150,000 must contain a provision that requires the non-Federal award to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251-1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA).
- (H) Debarment and Suspension (Executive Orders 12549 and 12689)—A contract award (see 2 CFR 180.220) must not be made to parties listed on the government-wide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR part 1986 Comp., p. 189) and 12689 (3 CFR part 1989 Comp., p. 235), “Debarment and Suspension.” SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.
- (I) Byrd Anti-Lobbying Amendment (31 U.S.C. 1352)—Contractors that apply or bid for an award exceeding \$100,000 must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-Federal award.
- (J) §200.322 Procurement of recovered materials. A non-Federal entity that is a state agency or agency of a political subdivision of a state and its contractors must comply with section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act. The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds \$10,000 or the value of the quantity acquired during the preceding fiscal year exceeded \$10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery; and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines.

By signing below, the Bidder agrees to comply with these requirements, as applicable, in the event an award is made by Helen Keller Intl.
